

## Sura Qassas

1. The name of this sura is Qassas, which means 'story'. The Quran is full of stories, some are of prophets and others are not. Try and name all the prophets whose stories are in the Quran – there are 25 of them!

Why do you suppose the Quran has stories in it?

2. This sura of the Quran largely narrates the story of which prophet?

He is the most important prophet in what other major world religion? What book was revealed to him by Allah (swt)? In which ayat of this sura is the revelation of this book mentioned?

He is also the most frequently mentioned individual in the Holy Quran – how many times is he mentioned?

3. Colour the picture below and explain what story it is depicting. Give the ayats numbers in this sura which correspond with it.

**What honour does Lady Aasiya hold in Islam along with three other women? Name the other three.**

- 4. In the story of Prophet Musa, why did he run away from Egypt? Try and find Egypt on a world map – which continent is it on?**

**Egypt is famous for the River Nile; what is special about this river?**

**Where did Prophet Musa run away to? From what we understand of this historical place, try and locate it on the world map.**

- 5. Which prophet did Prophet Musa encounter in this new land? Briefly describe the circumstances surrounding their meeting and the agreement made between the two prophets. Give the ayat number(s).**
- 6. Prophet Musa eventually leaves this new land with his family. As they journey away, what does he see and where? Try and locate this place on the world map.**

**What significant event takes place here next which sets Prophet Musa up to return to his native land of Egypt? Give the ayat number(s).**

- 7. The Holy Quran tells us that Prophet Musa was given how many miracles to show Firawn and his people? Give the sura and ayat number. (Hint: this was discussed on one of our earlier quizzes!)**

**Name two of those miracles, those to which ayat #32 of this sura is referring.**

8. Who accompanied Prophet Musa to the court of Firawn and why? Give the ayat number.

What did they say when Musa presented the miracles to them as Allah (swt) had instructed? What did Firawn tell Haman, his High Priest, to do in ayat #38 of this sura?

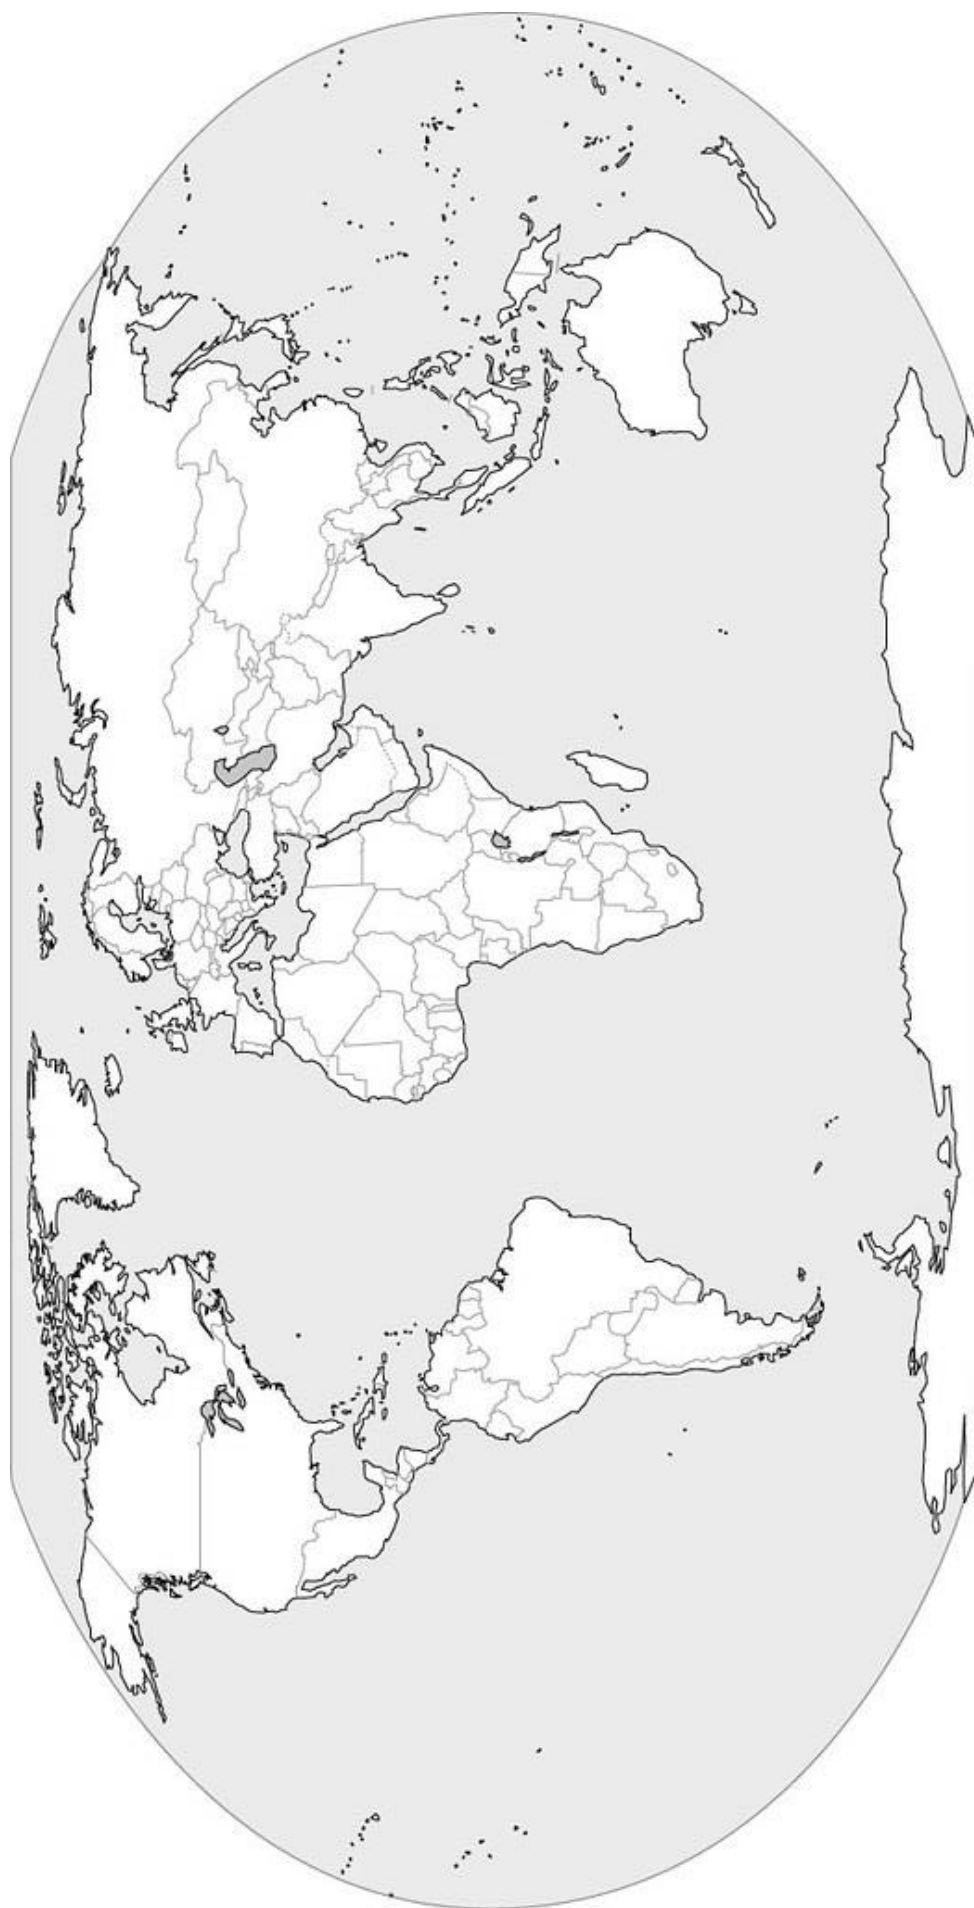

What happened to Firawn at the end of this story?

9. In your own words, describe what Allah (swt) is telling us in ayat #59 of this sura.

10. In your own words, describe what Allah (swt) is telling us in ayat #84 of this sura.

**Bonus: Use the blank map on the next page to plot the following places from the story of Prophet Musa...as well as some of your own!**

1. Colour Egypt Green
2. Draw the River Nile in Blue
3. Place a Yellow 'X' for Midian
